The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address:

**DEATH OF W. H. BARCLAY.**

Expired at Bedford City After Long Illness.

At the home of his son-in-law, Mr. James W. Gish, of Bedford City, at 5 o'clock, Nov. 9th, Mr. William H. Barclay passed away after a lingering illness from heart disease, which was manifested in a dropsical affection which produced great pain and discomfort for many months before his death.

Mr. Barclay was born in Lexington, Va. 65 years ago. He engaged in business at Buffalo, N. Y., Milwaukee, Wis., and during the first term of Cleveland's administration held the position of postoffice inspector. He subsequently resided in Radford, Va., where he was connected with the real estate business, whence he removed to Niagara Falls and prosecuted the same business until the condition of his health forced him to give up active duty. Some months since, he was taken to the home of his daughter, Mrs. Gish, near Miss Florence Barclay, where the tenderest and most unrelenting ministrations from his devoted wife and daughter and friends were used to alleviate his suffering and cheer his sick room.

Mr. Barclay was a Mason of high degree, and a consistent member of the Presbyterian church. He was a gentleman in the noblest sense of the term, a man of large information and culture, a most delightful, deferential companion, and in all the relations of domestic and public life irreproachable. One of the most marked characteristics of his long period of invalidism was his constant consideration of those about him, which no amount of suffering ever for a moment caused him to forget. For many months he had fully realized the gravity of his illness, and faced the inevitable end with a courage engendered by Christian faith, which sustained and soothed him to the brink of "the dark flowing river."

Mr. Barclay is survived by his wife and three children. The latter are Mrs. Gish, Miss Mollie Barclay, now engaged in teaching at Niagara Falls, and Mr. Harry Barclay. The funeral services took place Thursday morning from the Presbyterian church at 10 o'clock, in Bedford City.

**CLOSES HIS PASTORATE IN LEXINGTON.**

A Large Congregation at the Baptist Church Sunday Night to Hear Mr. Johnson's Farewell Sermon.

The Baptist church was filled with a large congregation Sunday night to hear the closing sermon of Rev. Thomas A. Johnson's pastorate in Lexington. In the audience were friends of all denominations, with whom Mr. Johnson is very popular. The preacher said he didn't want this to be considered his last sermon, but simply the close of his labors among a people who had been always most kind and considerate. Coming among them with little experience as a preacher and less as a pastor, they had assigned him a higher place than he deserved. He said the ties of friendship thus formed should not be broken, and that he hoped the future would be his sometime in the future to visit Lexington and preach again to this congregation. After the sermon many persons crowded around the pastor to bid him good bye and to extend to him their best wishes for his future.

Mr. Johnson came to Lexington a little more than two years ago and succeeded Rev. B. H. Deament as pastor of the Baptist church, which he served with ability and with general acceptance. About a month ago he received a very flattering call from the Baptist church of Hagerstown, Md., which, after consideration, was accepted, greatly to the regret of his many friends in Lexington, both within and without the Baptist church.

Several weeks ago Mr. Johnson married in Kentucky and brought his young bride to Lexington. They left Monday morning at half-past ten o'clock over the Chesapeake and Ohio railroad for Lynchburg, where, after visiting Mr. Johnson's parents, they will proceed at once to their new field of labor, Hagerstown.

The happy pair left on No. 10 for their future home at Buena Vista, followed by the kind wishes and sincere congratulations of many friends. The Review wishes them long life and prosperity.—Clifton Forge Review, November 11th.
